CHURCH OF CHRIST

We are a Bible centered, unified family of believers called to an ever-deepening relationship with Christ. We will pursue Christ through study, prayer, and fellowship. The Widow's Offering

Calling his disciples to him, Jesus said, "Truly I tell you, this poor widow has put more into the treasury than all the others. Mark 12:43

It is our motivation that gives character to our actions, displaying their true value. It is not the great gifts and grand action-when everyone is watching that brings praises from God and that He deems most precious. The little duties cheerfully done, the little gifts which make no show, and which to human eyes may appear worthless, often stand highest in His sight. A heart of faith and love is dearer to God than the most costly gift.

The poor widow gave her living to do the little that she did. She deprived herself of food in order to give those two mites to the cause she loved. And she did it in faith, believing that her heavenly Father would not overlook her great need. It was this unselfish spirit and childlike faith that won the Savior's commendation.

When Jesus spoke about the widow, She "has put more into the treasury than all the others," His words were true, not only of the motive, but of the results of her gift. The "two mites" have brought to God's treasury an amount of money far greater than the contributions of those rich Jews. The influence of that little gift has been like a stream, small in its beginning, but widening and deepening as it flowed down through the ages. In a thousand ways it has contributed to the relief of the poor and the spread of the gospel. Her acts of faithfulness were noticed and documented former in time through Jesus teachings.

Too often we discount our "simple and small" contributions of time efforts for the Lord. You never know what effect your small actions of faith of today may have on the world around you for generations.
