CHURCH OF CHRIST

We are a Bible centered, unified family of believers called to an ever-deepening relationship with Christ. We will pursue Christ through study, prayer, and fellowship. We recognize that we are sent to the larger community surrounding us to plant the seed of the Gospel and to demonstrate God's love and Christ's life.

Against All Odds

Dr. Charles Ryrie, an authority of Bible prophecy, says, "Someone has calculated that actually there are more than 300 prophecies concerning various aspects of the first coming of Christ. We can assuredly say that no one could possibly have made this number of accurate predictions by chance."

“But God did it, through His prophets, and the evidence is in the Bible for all to see and believe. There are many other equally specific prophecies in both the Old and the New Testaments which have also been fulfilled exactly as predicted. Add all these in with the ones we have referred to, and the improbability of their coming to pass increases at a fantastic rate, to a point beyond any possible comprehension.” Another scholar says that there are 332 prophecies relating to Jesus Christ, 61 of which are major prophecies. To help you grasp the immense improbability of these being fulfilled by chance, let me give you something to think about. Let’s begin by pondering the possibility of just eight of those being fulfilled. One college math class that investigated this possibility concluded that it would be one possibility in ten to the 17th power.

When Jesus was here, He had a keen sense of understanding that He was fulfilling the prophecies of old. Repeatedly He would say, "This was done that it might be fulfilled which was spoken by the prophet saying..." and Jesus would document the quote. The average person has little understanding of the complexity of prophecies and their importance when it comes to documenting what Jesus did. Immediately before the crucifixion, Jesus said, "I am telling you now before it happens, so that when it does happen you will believe that I am He" (John 13:19).

Begin your own program of investigation by reading the Gospel of John in the New Testament, and noticing the number of passages which relate definite events in Jesus' life to fulfilled prophecy. It will amaze you.
