## CHURCH OF CHRIST

We are a Bible centered, unified family of believers called to an ever-deepening relationship with Christ. We will pursue Christ through study, prayer, and fellowship. We recognize that we are sent to the larger community surrounding us to plant the seed of the Gospel and to demonstrate God's love and Christ's life.

## Refined by Fire

When children fail or do things they aren't supposed to do, parents may be disappointed, and they may even discipline their kids, but a good parent's love for their child never changes, waivers or fails. That's because a mom or dad's love is not based on conditions. Parents love their kids because they are theirs. The same is true for us and our relationship with God the Father. He loves us because we're His. Nothing we could do will ever change that fact.

In Hosea 11, we see how God loves His children, Israel, even though they turn away from Him. While Israel kept failing, God's love for them never did. God is a loving father who wants good gifts for His children. His love is unconditional. God's love was not based on what Israel did or didn't do; it was based on their position as His children. Nothing could ever change God's love for them.

You may find yourself in a condition where you are wondering how God could still love you, but your position as His child has not changed. His love for you still remains the same.

You may be thinking that God could never love you because of what you have done. God's love is not based on what you have done but is based on what Jesus did on the cross.

God's love for you is not based on your condition but is based upon your position as His child. In your life you may fail, but God's love for you will never fail.

## Congregational Scripture Reading

### John 4:16

God is love. Whoever lives in love lives in God, and God in them.

## Family News & Updates

### Summer Wednesday Nights

Beginning of June on Wednesday nights 7pm we will be screening The Chosen season 3 with light discussion to follow.

### Teachers Needed

We are looking for teachers for the summer quarter for the children program. If you are able to serve in this way please see Bill Leinen.
